Borrow a Person

Slough Central Library

Mon 16th, Tues 17th, Thurs 19th and Fri 20th

If you have ever wondered what someone of another faith thinks about something that's important to you, or why anyone would want to be part of a religion at all, come along to Slough Library and, instead of borrowing a book, borrow a person instead!

The 'living books' to be borrowed will be ordinary members of local faith communities, who will be happy to discuss their religion and traditions,

faith and spirituality, beliefs and experiences and any other subject besides. For more information on the Borrow a Person project, please call **Emel Soylu** on **07956 022197** **emel@art-beyond-belief.com**
